

2024 Local Government Election - Noosa Council Candidate Questionnaire Responses

Candidate Name	Joe Jurisevic
Nominating for	Councillor
Noosa Dark Sky Reserve	I think it's a great idea. Supportive if there is a reserve area that would be considered suitable.
Would you support a Noosa Dark Sky designation?	Yes
Circular Economy	Wholeheartedly support the waste strategy. I have been advocating many of the initiatives for a long time. More needs to be done on Council's procurement processes to help close the loop on Circular Economy.
Do you support the plan?	Yes
Biosphere designation	Trying to manage a balance between preserving the environment and man's impact on it.
Will you actively promote Noosa's Biosphere Aims and Objectives?	Yes
Climate and Renewables	Our landfill is the greatest emitter of greenhouse gases in Council's operations. The waste strategy targets a number of initiatives to target this including greater methods of diversion including food waste, solar power on capped landfill areas, energy generation to replace methane flaring. Council has been facilitating solar power on

	Council buildings where feasible and looking at working with ZEN on a community battery.
Do you support Nature based Solutions for climate resilience?	Yes
Noosa values	Through the Noosa Plan and Corporate Strategy as the principle document to guide all other plans and strategies, and the actions of staff and Councillors in ensuring those visions are put into place.
Do you support the use of non-lethal shark deterrent methods in our oceans?	Yes
Will you advocate to manage population growth to protect and restore the region's ecological and liveability values?	Yes 'Liveability' can be considered as the sum of the factors that add up to a community's quality of life now and in the future, including the built and natural environments, economic prosperity, social stability and wellbeing, equity and access, education, cultural and recreation opportunities.
